## Summer Camp 2014 Agreement

### Enrolment:

**By agreeing,** I represent and understand that I am the/a parent or legal guardian of the child being enrolled. The child being enrolled is healthy and capable in participating in all Land of Children activities and trips, unless otherwise informed. I will provide the Camp with a completed and signed medical form prior to my child's first day of attendance. An acceptable medical exam must have been done between September 1, 2010 and my child's first day of attendance. I agree that no medications will be administered by the Land of Children, unless provided to Land of Children by an authorized parent and/or legal guardian. Additionally, any medications must be accompanied by written and explicit instructions from said parent/guardian and may require physician authorization as well. In case of a medical emergency, I permit the physician selected by the Land of Children and its director to hospitalize and authorize treatment to include, but not restricted to, injection, anesthesia, or surgery and to secure proper treatment for the child I am registering. Every effort will be made by the Land of Children to immediately contact the parent/legal guardian and /or emergency contact persons I have listed prior to making such decisions.

### Payment:

**By agreeing,** I understand and agree to pay all balances due on or before due dates. I understand that fees may be applied if the balance due is received after the due date. Furthermore, Land of Children reserves the right to cancel this enrollment completely if full payment is not received by the due date. I understand that refunds or adjustments of 50% can be made only for absences including, but not limited to, illness.

### Activities:

**By agreeing,** I understand and fully grant permission to Land of Children and its director to take my child on trips and for my child to participate in all activities including swimming and swim instruction in or outside the of Land of Children camp facility, unless otherwise instructed in writing with an original signature of parent/legal guardian. Photographs or recorded video of Land of Children activities and use of any photographs or video containing my child or likeness can be used in promoting material or advertising.
